

# Intern Program

## Interested in making a difference?

Consider serving an internship with the Christian Evangelistic Association. We're planting new churches in one of the most secular, unchurched regions of the country.

You'll be challenged and inspired to share your faith and friendship with others who have little or no knowledge of Jesus, the Bible or Christian life.

You'll serve on a team. You'll work on real projects in a church planting context. You'll experience first-hand the skills and leadership required to establish and grow a new church.

A 3 to 6 month internship with a new church in Washington, Oregon, Idaho or Alaska offers a unique experience in one of the most beautiful places on earth!

The CEA has a variety of internship opportunities in many locations around the Northwest. Contact us today!

---

*My summer internship in Alaska was an incredible time of growth, encouragement and adventure! I led VBS in a remote Alaskan village, worked booths at local festivals, preached in a movie theatre and in "bush" churches.*

*I came back changed – aware that I don't get to pick and choose who I love or who is worthy of dignity and respect. But I get to be the vessel to pour into people who have never heard the gospel. Sam*

Sam Antosh served a summer internship in Fairbanks, AK with Derek Dickinson and Journey Christian Church.

# FAQs

## **What internships are available?**

You can choose experiences in urban or suburban communities in anglo or ethnic contexts. Specialized experiences in non-profit management, administrative support, media, communication, graphic-design and technology can be arranged.

## **What can I expect to experience?**

You'll be embedded in a new church for a hands-on learning experience. You'll be stretched and strengthened as both a ministry servant and leader. You will also be given study assignments to further your biblical education.

## **What's required of me?**

- Enrollment in college or a recent graduate.
- 25 hrs/week of service and leadership plus additional study time.
- Personal support raising. This is a foundational skill for church planting and an important part of your internship. Typical internships require \$600/week. Some may require additional funds.  
*(Donors will receive a tax deductible receipt from the CEA.)*

## **Will I be paid as an intern?**

Yes. Typically, interns receive \$500/week for room & board and personal expenses plus reimbursement for approved business expenses, including mileage if a personal vehicle is required. However, you will be responsible for travel to and from the internship location (those expenses are not reimbursable.) Your supervisor will assist you in setting a budget

# How do I get started?

1. Go to <https://thecea.org/internships/> Complete the application and forward it along with your school's requirements if you plan to receive academic credit.
2. Select a location and plan your support budget together with your CEA Internship Supervisor.
3. Start packing!
