

**CEA Church Plant
Prayer Guide 2022**

The start of 2022 has been difficult for many of our newer churches. Four have permanently closed and others are needing to find new meeting places as schools are not currently available to outside groups. But the news isn't all bad—while there has been struggles, there has also been new starts and churches that are flourishing despite the challenges. Your prayers are vital to CEA and our churches! Thank you!

Pray for flexibility and creativity. Needs of the communities have changed over the past 2 years. Pray that God will equip planters to creatively pastor people and love their cities well.

Pray for planters and their teams as they serve. The hunger to hear the hope of the Gospel remains, but there is a growing sense of apathy. Pray for communities to be filled with a Holy Hunger.

Pray for the new church community. Social distancing and fear remain high in many areas of the Pacific NW. Pray for new believers to learn to trust in God even in times of crisis—to be free of anxiety and experience God's extraordinary peace.

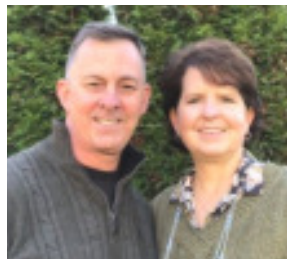

Pray for the mental health of the planters and their families. Like most of us, planters feel fatigued and weary. Pray for their physical & mental health and that their walk with the Lord remains fresh.

Pray for City, State and National Leaders. Pray that they will have hearts that are softened toward God and His people. Pray for local churches to be a positive influence in their communities.

So that Christ may dwell in your hearts through faith. And I pray that you, being rooted and established in love,¹⁸ may have power, together with all the Lord's holy people, to grasp how wide and long and high and deep is the love of Christ,¹⁹ and to know this love that surpasses knowledge—that you may be filled to the measure of all the fullness of God. Ephesians 3:17-19
